

Client Instructions

Under current Bankruptcy laws, you must receive Budget & Credit Counseling from an approved agency within 180 days prior to filing for bankruptcy. Cricket Debt Counseling will provide you with your required counseling through an easy-to-use online counseling session, and a brief follow up email or phone call.* The whole process generally takes about 90 minutes to complete, and you do not have to finish it all at once. At Cricket Debt you can sign up online and take your time going through the materials. Our system saves all your information so you can exit the program and come back whenever and as often as you like. We charge only \$24.00, and that fee covers both you and your spouse (if you have one).
